TAIHOKU SOURCES SAY SINO-KOREAN FORCES
SUFFER FROM LACK OF EQUIPMENT

SAY SOVIETS FAIL TO SUPPLY SUFFICIENT WAR MATERIEL -- Hong Kong, Kung-shang Jih-pao, 11 Jul 51

Taihoku, 10 July -- It is reported that one of the principal reasons why the Sino-Korean forces have agreed to terminate the Korean conflict at the earliest possible date is because the USSR is finding it impossible to furnish 5 million Communist soldiers with new equipment within the specified time. It is further reported that the Chinese Communist forces have been greatly weakened by the lack of military supplies from the USSR and that they must be reorganized and rearmed to oppose any possible attack the KMT forces may launch.

300,000 CHINESE CASUALTIES NOW RECUPERATING -- Hong Kong, Kung-shang Jih-pao, 2 Jul 51

Taihoku, 1 July -- The KMT Defense Ministry estimates that some 300,000 Chinese Communist soldiers are recovering from injuries received in the Korean conflict. Of this total, approximately 50,000 are in Kwangtung hospitals.
